### 2 Church Profile

God has led us to relaunch Pleasantview Alliance Church as CentrePoint Church in the coming year. We are still an Alliance Church, but want to have a fresh start, with a new vision and purpose in our city.

We are small community (approx. 50-60 people, all ages represented) that wants to make a big difference in our city in the coming year. We want to be at the centre of what is happening in our city and want to see Jesus at the centre of our lives. We strive to see people find community and authentic relationships, we aspire to see lives saturated by the Gospel, and want to help our people be on mission in our city.

*We are hoping to see new friends join our community in the coming year and you will be joining a growing church. We hope to create a Gospel-saturated, intimate worship experience that can draw in those who follow Jesus. As well, we hope to develop an acoustic musical style that is relevant for those who are not connected with a church community.*
