Asking for Healing

1. Pastor Nathan and Jenn shared four things they saw in the example of the leper that we need to keep in mind as we come to Jesus for healing:

- Come in faith
- Come in worship

- Come in humility
- Come ready to obey

How do you see these four points in the story of the leper?

2. Which of these four things do you think you might have the most trouble with as you seek a touch from the Lord?
3. Which of these comes most naturally to you?
4. What do you think a person might do to grow in these areas?
5. How are you going to grow in these areas? What plans or ideas can you put in place this week to grow these characteristics in your life?

Ministering to Others for Healing

6. Pastor Nathan and Jenn also shared four things they saw in the example of Jesus that are instructive for us as we seek to minister to people seeking a healing touch from the Lord.

- Respond with compassion
- Respond with desire

- Respond with power
- Respond with priorities

How do you see these in the example of Jesus?

7. Which of these four things might you have difficulty with as you look to pray with and for others?
8. Which of these four do you think might be the easiest for you as you seek to pray with and for others?
9. How might someone grow in these areas?
10. What might you begin to do this week to grow in your confidence and capacity to pray for and with others this week?
11. Is there someone in your life that is struggling physically that you can begin to pray for? That you can possibly pray with? Ask the Lord for wisdom as we seek to see His Kingdom come in Camrose.

Jesus is our Healer

November 11, 2018

Personal Reflection and Practice:

Have you ever experienced a physical healing from the Lord? Have you ever written down that story? One of the things the ancient Israelites did so well was that they wrote down and remembered the incidences of God's goodness. If you have a story of Jesus's healing touch, or any other significant experience with the Lord—take some time this week to write it down and reflect. Spend some time in worship and thanksgiving for all God has done for you.
